

“During my Congress in Your Community tours, I will talk directly to the people of New Mexico in their communities. Families across New Mexico have unique concerns and needs, and it’s important to make sure their voices are heard. My visits are an opportunity to talk with people throughout the district about fighting for them in Congress and hearing about issues that matter to them.” - Rep. Ben Ray Lujan

Ben holds frequent events in the 3rd Congressional District to talk directly to the people of New Mexico in their communities about the issues affecting their lives. He visits schools, local businesses, senior centers and popular community meeting places so he can make himself accessible to the people of the district.
